

FOUR SEASONS TRAIL ASSOCIATION

Team Training Guidelines

In order to better serve our members, the FSTA Board of Directors requests the following of visiting ski teams:

- Please keep all athlete baggage in the locker rooms, your cars or busses.
- Athletes should change in the locker rooms and not on the main floor of the lodge.
- Please maximize the use of tables and chairs to keep open space available for other visitors or FSTA members.
- Tidy up your space and tables before heading out on the trails or leaving. The dumpster is in the parking lot area.
- Skis and wax benches should remain outside the lodge. Ski racks are available at various locations outside.
- The following donation amounts are suggested:
 - \$6.00 per day per trail user
- There is a \$35 charge to access the kitchen area.
- All payments and donations should be dropped in the membership box near the front entrance.

With the cooperation of everyone, we hope to keep the lodge an enjoyable place to recreate and have fun. Thank you for your understanding and support!
